

GL CONSULTING (PTY) LTD

Safety | Quality | Excellence

TUT

In my capacity as Director and founder of GL Consulting Pty Ltd I am pleased to write this reference letter on behalf of Nyiko . In 2024, Lisa was hired by me as a Web developer

Professional Skills and Expertise

During his time with us, Nyiko demonstrated exceptional technical skills and a deep understanding of various IT skills. He was responsible for Builds, designs, use of web applications, scripts, and programming languages such as HTML, CSS, JavaScript, and APIs testing and hosting.

In conclusion, I wholeheartedly recommend Nyiko for any IT Technician position they pursue. Their blend of technical expertise, customer service skills, collaborative spirit, and strong work ethic will undoubtedly make him an outstanding addition to any organization.

Should you require any further information or specific examples regarding Nyiko's performance or contributions, please feel free to contact me

Thank you for considering this recommendation.

Sincerely,

Given Hlatshwayo
